Inspection/Repair

- When any defect is found within the warranty period under proper use, contact a distributor or dealer of HKS Co., Ltd. for inspection or repair.
- When making a request for inspection, please describe the defect as fully as possible for the purpose of enabling the cause of defect to be found easily.
(Warranty request form will be prepared. Fill in all required items in the form. Attach pictures of the defective parts if possible.)
- If descriptions of the defect are insufficient, an appropriate inspection result may not be achieved; giving specific descriptions enables us to determine the cause and conduct an accurate inspection.

Other

- When the cause of defect cannot be determined by the warranty request form and pictures, the defective parts are needed to be returned to HKS Co., Ltd. (The delivery expense to Japan must be paid by the customer.)
- The bill of sale or other proof of purchase must be retained to receive warranty service.
- When the defect is caused by the manufacturing process, HKS will repair or replace the product or refund the original purchase cost. (HKS will pay for the cost of repair / shipping to send a replacement.)
- When the cause of defect is not caused by the manufacturing process, the inspection fees and shipping fee to return the inspected product may be charged. The list of inspection fee is provided separately.
- Inspection may take some time before the result is determined.
